Department of Chemistry:

About Department

The Department of Chemistry was established in the year 1994. The department has well qualified and experienced and dedicated faculty members. The department is a recognized research department by Anna University, Chennai. Full time research scholars working in this department are supported by monthly Institutional Research Fellowship, enabling them apply for government fellowships. Research work in the department ranges across most challenging problems in Materials Science, Nano Science, Nanotechnology, Corrosion Science, Thin Films, Environmental Science, Phyto Chemistry and Photocatalysis.

Head Of the Chemistry: Dr. L. Ragunath

Dr. L. Ragunath has received his doctoral degree from Bharathiar University Coimbatore in the year 2013. He completed his M.Phil in 1990 from Bharathiar University. He completed his M.Sc. in 1989 and B.Sc. in 1987 from PSG College of Arts and Science affiliated to Bharathiar University. He has also completed M.A. Yoga for Human Excellence from Bharathiar University in 2018 and a PG Diploma in Guidance and Counselling (PGDGC) in 2000 from Annamalai University through distance education. He has twenty nine years of teaching experience. He started his career as Lecturer at Sri Ramakrishna Engineering College, Coimbatore in the year 1995. He has more than fifteen years of research experience in the fields of Synthetic Organic and Inorganic Chemistry. His current research interests are Nano Chemistry and Environmental Science. He has published fourteen research papers in reputed International Journals. He is a recognized research supervisor under Anna University, Chennai. He has completed training on Universal Human Values. He has attended many FDPs, Workshops, National/International Conferences and Seminars. He has authored several Engineering Chemistry books for students of Anna University and Autonomous Institutions and recently two of his books have been published by McGraw Hill Education. He has given Guest Lectures in various institutions and acted as resource person in conferences and FDPs. He received Best Programme Officer award of the Red Ribbon Club. He is a Life Member in ISTE chapter and Indian Science Congress.

Vision and Mission

Vision

The Department of Chemistry strives for excellence in all aspects of teaching and research, to enable Engineering students reach high qualities required in industries, academic, research organizations and serve the society at national and international standards.

Mission

To inculcate the importance of Chemistry with relevance to society and environment and develop a natural flair for Engineering and Technology which in turn shall mould the student into a competent professional.

Chemistry - Laboratories

Applied Chemistry Laboratory

Research Lab

Faculties:

Team

Dr. M. ABIRAMI

Assistant Professor(SI.Grade)

Dr. N. MOHANAPRIYA

Assistant Professor(Sl.Grade)

Dr. J. SHEEJA

Assistant Professor(Sl.Grade)

Dr.J.Suresh

Assistant Professor(Sr.Grade)

Dr. S. HARIGANESH

Assistant Professor

Dr. J. PAVITHRA

Postdoctoral Researcher

Mrs.M.Kausalya

Lab Assistant

Mrs.R.Sathya

Lab Assistant

Mrs. D. Vanaja

Non Teaching Staff(s)
